LOCAL AFFAIRS.

By Our Regular and Casual Reporters
and Correspondents.

The Election.

The election last Tuesday in Bloomfield
was without much interest or excitement.
The Democrats made no attempt whatever
to oppose the Republicans, and the usual
"mixed ticket" was dispensed with. Mr.
T. E. Hayes ran for Assessor on an inde-
pendent Republican ticket, and his friends
connected with the Fire Department and
Republican Battery, used all their influ-
ence in his behalf. Their efforts gave the
affair at least the semblance of a two-sided
political contest.

In the 3d District Mr. J. G. Kayler, can-
didate for Judge of Election, was opposed
by the friends of Mr. Dailey, because of
the latter's defeat in the Primary meeting,
and they almost succeeded in defeating
Mr. Kayler as Judge. His opponent was
Allen Andrews, who only lacked eleven
votes of being elected.

Samuel H. Baxter, the regular can-
didate for Assessor, was elected by 478 votes
against 277 for Thos. E. Hayes.

The following named are the township
and county officers as elected.
Assessor, Samuel H. Baxter.
Collector, Alex. C. Marr.
Township Clerk, Edw. F. Farrand.
Overseer of the Poor, Cornelius L. Voor-
hees.

Surveyors of Highways, Benj. Haskell
and N. Harvey Dodd.

Chosen Freeholders, Thomas McGowan
and William Cadmus.

Commissioners of Appeal, James C.
Beach, Phineas J. Ward and N. Harvey
Dodd.

Township Committee, Thomas Oakes,
R. N. Dodd, Frank S. Benson, Walter S.
Freeman and Willard Richards.

Justices of the Peace, Horace Pierson,
Wm. Baldwin and P. W. Smith.

Constables, James Foster and Geo. M.
Cadmus.

Appropriations are as follows:
Support of Poor \$2,000.
Contingencies \$3,500.
Gravel and Road Repairs \$4,000.
Road Construction \$5,000.
Crosswalks \$500.
Public Grounds \$500.
Water Contract \$6,420.
Gas \$5,000.
Fire Purposes \$1,500.
Sidewalk Construction \$3,000.
Firing Salutes on National Holidays \$50.
Police Purposes \$500.
Soldiers' Burial Plot \$275.

Miss Corson's Cooking Lessons.

On Thursday Miss Juliet Corson gave
her introductory lesson in cooking at As-
sociation Hall, Clinton St., Newark. A
few Bloomfield ladies were present, and
doubtless many more would have attend-
ed but for the storm which prevailed. A
large number of Newark ladies availed
themselves of the opportunity of seeing
Miss Corson cook the dishes advertised.
She is an agreeable speaker, and the bill
of fare which she set before the ladies
proved her ability. Six lessons comprise
the course, and judging by this first one,
those who attend all should gain much
useful knowledge in luxurious economy.

The Euterpeans Again.

Our music loving residents will be
glad to learn that the Euterpean Society
are actively rehearsing for their second
concert. They are on Tuesday evening,
April 26th. They are making preparations
to furnish a musical programme of a most
attractive character, and one which will
eclipse their first effort. Due notice will

be given of the affair in the columns of
THE CITIZEN, and ample opportunity af-
forded to secure seats in advance, in an-
ticipation of a large demand for tickets.

A Popular Dry Goods Store.

Messrs. Frazee, Connet & Co., this week
close their series of "Red Letter Sales" at
their well-known dry goods house, 657 and
659 Broad street, Newark. They were
projected to bring their business to
a wider attention, and to make known the
competence and excellence of their vari-
ous departments to a larger patronage.
In this they have proved eminently suc-
cessful. Visitors, new and old, to this
old-established house are sure to be suited
and will find every article offered of the
best quality and at the most reasonable
prices.

Result of the Republican Primary.

An editorial gives the proceedings of
the Primary held in Dodd's Hall Friday
night. The result of the voting showed
that 260 votes were cast. Baxter for As-
sessor defeated Hayes by 21 majority.
Farrand for Township Clerk had a plu-
rality of 22 over Howard B. Davis. Voorhees
for Overseer of the Poor received 165 votes,
Walker 94. For Chosen Freeholders,
Cadmus received 170, Dailey 85. For
Township Committee the vote was: Ben-
son 228, Richards 218, Dodd 248, Oakes
247, Freeman 171, Baldwin 111.

for the erection of a new house upon Park
Place, which will be commenced imme-
diately.

feet of the great and good men of Bloom-
field, form the latest acquisition of metro-
politan accommodations in town.

—The new house of Mr. Charles Far-
rand, on Berkeley avenue, which is near-

—Mr. John H. Price, a veteran of the
war, died on Monday, after a long illness,
aged 44 years. The funeral took place

Simons and Ballentine conducted the ser-

—Moffat's Independent Bloomfield and
Montclair Directory promises to be the

especially has grown very much within the

greater use than in former years.

sojourning in town is fraternally extended.

Newark.

The expected nomination by Gov. Green
of the successor to Chancellor Runyon
was not made this week, and as the Senate
has adjourned until Monday it has gone
over. It is stated that the uncertainty
of reappointment has induced Chancel-
lor Runyon not to act in new cases or
cases where time has not been fixed
for argument. The Chancellor says that
he will not hear new cases of importance
until the appointment of his successor is
made.

The New York Evangelist says: "A long
happy and successful pastorate has been
that of Dr. Fewsmith of the Second Pres-
byterian church, of Newark, N. J. Few
men have been so uniformly even on an
elevated plane of preaching, always bring-
ing beating life into the sanctuary. It is
not strange that he is frequently called on
by his people to publish his discourses in
order that they may read, mark and in-
wardly digest at their leisure what had
been a blessing when spoken. We have
before us two of these printed sermons,
one on 'God's Thoughts,' and one on
'Christ the Coming One,' and both full of
truth and unction."

Township Election Notes.

MONTCLAIR.

Four tickets were in the field at Mont-
clair, but the Republicans elected their
entire ticket. A lively contest took place
between Henry L. Yost, R., and W. L.
Ludlum, D., for Town Clerkship. Yost
got 21 majority. Nominations were made
by the Democrats for all the offices, ex-
cept that they endorsed Town Commit-
men Stephen W. Carey and James Owen.
Majorities ranged from 90 to 187.

FRANKLIN.

A vote of 210 for the Republicans and
105 for the Democrats was returned in
Franklin. Only one Democratic Town
Committeeman was elected.

LIVINGSTON.

There was a great deal of scratching
done by both parties in Livingston Town-
ship, but the Republican ticket, with but
one or two exceptions, was returned.

MILLBURN.

The Democrats and Republicans com-
bined against the Labor men, who ran a
distinct ticket, and were defeated by 36
votes only.

CALDWELL.

The Republicans elected every can-
didate except the Assessor and one mem-
ber of the Town Committee.

EAST ORANGE.

The Republicans carried their ticket,
with the exception of Town Commit-
man Israel L. Dodd in the Franklin Dis-
trict. He was defeated by David Wilson,
Independent.

BELLEVILLE.

The Republicans elected their two rep-
resentatives in the Board of Freeholders
and three of the five Town Committeemen.

CLINTON.

The Republican ticket was successful
by a majority of 160.

ORANGE.

The Democrats and Republicans are
alike jubilant over the defeat of the Labor
party, which ran a separate ticket. The
election of Brennan, Democrat, for As-
sessor, over Denny, Labor, was a surprise to
many. Denny had declined to run as a
Democratic candidate, and they were in-
dignant at his refusal to accept their nomi-
nation, and resolved to defeat him if
possible.

The Legislature.

The report of the State Board of As-
sessor on the Morris and Essex Railroad
case was presented in the Senate, Tues-
day, and ordered printed. The substance
of the report is as follows: After mature
deliberation upon all the facts developed
by the examination made by them in the
discharge of the duty imposed upon them
by the act of 1836, the Board has been led
to the conclusion and do therefore report
that, in their opinion, the Morris and Es-
sex Railroad Company has reported the
cost of its road for taxation at much less
than its real cost, from the year 1882 to
the present time; and that thereby it has
withheld from the State, in violation of its
charter and supplements, large sums of
money justly due it, and amounting in the
aggregate (if interest be added thereto),
apparently to more than one million dol-
lars. It is proper that the Board should
state that, impressed with the grave im-
portance of the subject matter of their in-
vestigation, and with the magnitude of the
interests involved, they have given the
most careful consideration of every step
leading them to the conclusion above ex-
pressed.

The report also says: "That such an
immense sum of money, \$1,246,290.23,
should have been kept back from the
State by the company seems almost in-
credible."

The bill to repeal charter of the Morris
and Essex Railroad, after having passed
the second reading in the House, was on
Wednesday amended by a provision that
the bill should not take effect June 1st,
nor at all, if the company surrender its
contracts with the State.

Senate bill No. 125, which fixes the agri-
cultural station in the State needed under
the act of Congress appropriating \$15,000
for such a purpose, was put upon its first
reading and passed unanimously.

The Senate cleared its calendar Wednes-
day and adjourned to Monday night.
Senator McBride tried to call up his resolu-
tion providing for sine die adjournment
on April 2, but the effort failed.

sician of Morristown, died in Florida on

bosses in the machine and locomotive
shops have been notified of reductions in
their wages. The chief of the construction

per month, while subordinate officials were
reduced from \$15 to \$20 per month.

The clandestine marriage is announced
of Burnett Tiffany, son of C. L. Tiffany,
the noted New York Jeweler, and a Miss
Emma Pierson, of Morristown. Miss Pier-
son is the daughter of Mrs. Anna Pierson,
a widow in humble circumstances. The
daughter had a local reputation as a beau-
tiful girl and is about twenty-two years old. It
was not known in Morristown that she
numbered Mr. Tiffany among her New
York acquaintances, and the news of the
marriage created surprise.

HOW TO INJURE YOUR TOWN.

Oppose improvement.
Mistrust its public men.
Run it down to strangers.
Go to some other town to trade.
Lengthen your face when a stranger
speaks of locating in it.
Do not invest a cent; lay your money
out somewhere else.
Refuse to advertise in your village paper.
If a man wants to buy your property
charge him two prices.
If he wants to buy anybody else's inter-
fere and discourage him.
Be particular to discredit the motives
of public spirited men.
Refuse to see the merit in any scheme
that does not directly benefit you.

HOW TO MAKE IT PROSPER.

Talk about it.
Write about it.
Be friendly to everybody.
Elect good men to all offices.
Keep your sidewalks in good repair.
Sell all you can and buy all you can at
home.
If you are rich invest something, employ
somebody.
Be courteous to strangers that come
among you so that they go away with good
impressions.
Always cheer on the men who go in for im-
provement. Your portion of the cost will
be nothing but what is just. Don't "kick"
at any proposed improvement because it
is not at your own door or for fear your
taxes will be raised fifty cents.
